EDUCATION

Elon University, Martha and Spencer Love School of Business — Elon, NC — Class of 2027
Finance major; minors in Entrepreneurship and Mandarin Chinese

New Trier High School — Winnetka, IL — Class of 2023

EXPERIENCE

CEO, True North Services LLC — Chicago North Shore — Apr 2026 – Present

- Incorporated the company (Apr – May 2026) on a manager-contractor model with a written operations & risk framework; team of four-plus, with an operations lead running weekly ops calls.
- Put it on a documented operating system: three mandatory forms feeding one master sheet, a $100 minimum job, a 30%+ manager margin target, and a signed client agreement on jobs over $500.
- Wrote the head-manager crew training program, ran the first company all-hands (Jul 17, 2026), and hand-built the company site, lead capture and a 90+ photo marketing library.

AI Intern, Screencastify — Jun – Aug 2026

- Mapped 7 workflows across 6 departments in 48 hours with one written diagnostic prompt and one added meeting; shipped three fixes, including a weekly finance AR-collections task cut from 4–8 hours to under 15 minutes.
- Built Castify OS, three internal AI modules live in nine weeks: a Proposal Generator (30 min → 5 min per proposal), an approval-gated outbound email agent, and AI-referral traffic analytics.
- Audited 76 posts and reframed marketing as under-concentrated, not under-worked.

AI Hub Leader | Outreach Team Lead, Elon AI Hub — Elon, NC — Feb 2025 – Present

- On the team since the hub started in February 2025; outreach team lead since September 2026.

Chief Marketing Officer, Student Maintenance — Glenview, IL — Dec 2024 – Jul 2025

- Led a crew of high-school and college students on operations, scheduling and client interactions: $24,000 in revenue and 270+ client leads landed and processed.

Founder, Oasis Exterior Cleaning — Chicago North Shore — Founded May 2023

- Power-washing and window-washing business: 50+ clients and five-figure revenue in the first summer, +68% customer growth from hand-built local marketing, managing a student crew.

Senior Project, Gemini Builds It — Elgin, IL — Mar – May 2023

- Shadowed CEO Courtney Wright; helped with marketing for the M&M Project and worked with employees across departments.

LEADERSHIP & ACTIVITIES

President, Elon AI & Emerging Tech Club — Aug 2025 – Present

- Member since 2024. Hosted Applied AI: From Campus to Workplace (Oct 13, 2026) with the Elon AI Hub, partner student organizations and Duke FinTech, and the Crypto & Digital Assets Night (Sep 29, 2026).

Vice President of Student Development, Pi Sigma Epsilon — 2026 – Present

- Executive board of Elon's professional sales and marketing fraternity; ran fall 2026 rush interviews (34 candidates).

Sales & consulting lead, Transfer Ready — Techstars Startup Weekend AI, Winston-Salem — Oct 2026 – Present

- **2nd place and the Social Impact Award** (Oct 2–4, 2026); built the customer process map and co-presented the final pitch. The team now tests a low-cost audit with real owners before building software.

Leader, Kitten Foster Program (volunteer) — Winnetka, IL — Jan 2019 – Present

- Fostered and helped 200+ kittens find permanent homes and shelters.

SKILLS & CERTIFICATIONS

Certification — Microsoft Office Specialist: Excel Associate (Jan 2026).
Operations & sales — crew hiring and training, documented ops frameworks, manager-contractor structuring, door-to-door and referral sales, in-person quoting, local campaigns.
Finance & markets — unit economics, pricing floors and margin structures; self-directed investor since 2020.
AI & web — workflow mapping, prompt-built internal tools, agent modules with human approval gates, Google Sheets / Apps Script automation, hand-built HTML/CSS sites.
Languages — English; Mandarin Chinese (conversational).
